I am the Secretary of Justice of the Republic of the Philippines, qualified and authorized to issue this legal opinion in connection with the Government Concessional Loan Agreements and Preferential Buyer's Credit Loan Agreements on the Three Priority Bridges Crossing Pasig-Marikina River And Manggahan Floodway Bridges Construction Project dated _____, (No. [insert the four Loan Agreements' Number, such as GCLxxx, GCLxxx, PBCxxx and PBCxxx], the "Loan Agreements") between the Export-Import Bank of China as the lender (the "Lender") and the Government of the Republic of the Philippines acting by and through the Department of Finance as the borrower (the "**Borrower**").

Unless otherwise defined herein, the terms defined in the Loan Agreements shall have the same meanings when used in this opinion.

⁵ *Also known as the "Priority Bridges Crossing Pasig-Marikina River and Manggahan Floodway under Chinese Government Financing" as approved by the NEDA Board.

For the purposes of this legal opinion, I have examined copies of the following documents:

- (1) the executed Loan Agreements;
- (2) such laws and regulations and such other documents, certificates, records and instruments as necessary and appropriate to render the opinions hereinafter set forth.

This legal opinion is given on the basis of the laws of the Republic of the Philippines effective as at the date hereof.

Based on the foregoing, I am of the opinion that:

1. The Borrower is the government of a sovereign state which is duly established and validly existing under the laws of the Republic of the Philippines and has the full power, authority and legal right to assume civil liabilities with its assets.
2. The Borrower has the full power, authority and legal right to enter into and perform its obligations under the Loan Agreements and has taken all necessary action to authorize the signing, delivery and performance of the Loan Agreements and _____ of the Borrower has been duly authorized and has the power to sign the Loan Agreements on behalf of the Borrower.
3. The Loan Agreements have been duly signed by the Borrower, and constitutes legal, valid and binding obligation of the Borrower enforceable in accordance with its terms.
4. The signing, delivery and performance of the Loan Agreements by the Borrower do not violate or conflict with or result in a breach of any law or regulation

of the Republic of the Philippines.

5. All authorizations and consents of any authority in the Republic of the Philippines required in connection with the Project and the signing, delivery and performance of the Loan Agreements by the Borrower have been obtained and are in full force and effect, including making payments in foreign currencies under the Loan Agreements and making the Loan Agreements admissible in evidence in the courts of the Republic of the Philippines.

6. All amount payable by the Borrower under the Loan Agreements may be made free and clear of and without deduction for or on account of any tax, levy, deduction or charge by the Republic of the Philippines or any political subdivision or taxing authority thereof. No withholding would be made in respect of any payment to be made by the Borrower to the Lender under the Loan Agreements.

7. The signing and performance of the Loan Agreements by the Borrower constitute commercial acts and a declaration that the Borrower waives right of immunity on the grounds of sovereignty or otherwise to which (i) may be entitled in connection with any arbitration proceeding or (ii) any of its assets may be entitled under or in connection with the enforcement of any arbitral award pursuant thereto except for assets of the Borrower located within the territory of the Philippines to the extent that the Borrower is prohibited by the laws or public policies having force of law in the Republic of the Philippines applicable and in effect at the signing date of this Agreement, from waiving such immunity is valid and irrevocably binding on the Borrower. Notwithstanding the foregoing, the Borrower does not waive any immunity of its assets which are (i) used by a diplomatic or consular mission of the Republic of the Philippines, (ii) of a military character and under control of a military authority or defense agency of the Republic of the Philippines, (iii) located in the Philippines and dedicated to a public or governmental use, or (iv) the

8. The payment obligations of the Borrower under the Loan Agreements rank at least *pari passu* with all its other unsecured and unsubordinated external indebtedness of the Borrower.

9. The choice of Chinese law as the governing law under the Loan Agreements is a valid choice of law. The submission of any dispute arising out of or in connection with the Loan Agreements by the Borrower to the Singapore International Arbitration Centre (SIAC) for arbitration under the Loan Agreements does not contravene any law of the Republic of the Philippines. The appointment by the Borrower of a process agent in Singapore does not violate any provision of any law or regulation of the Republic of the Philippines.

10. The arbitral award obtained in accordance with Article 8.4 of the Loan Agreements against the Borrower will be recognized and be enforceable in the Republic of the Philippines provided that:

(a) the arbitral tribunal had jurisdiction over the subject matter of the action in accordance with the jurisdictional rules; (b) the Government of the Republic of the Philippines, acting through and represented by the Department of Finance, had notice of the proceedings; (c) the arbitral award was not obtained through collusion or fraud, and such award was not based on a clear mistake of fact or law; and (d) the arbitral award is not contrary to public policy in the Republic of the Philippines.

11. The Lender is not and will not be deemed to be resident, domicile or having an establishment in the Republic of the Philippines by reason only of the execution, delivery, performance and/or enforcement of the Loan Agreements.

As to the questions of fact material to my conclusions expressed herein, to the extent I have not independently established the facts, I have relied upon the statements of fact contained in the documents I have examined and on certificates or representations of responsible officers and other representatives of the Republic and other parties to the relevant agreements.
