**Subject: Briefing on the Philippine economy for the Senate Committee
on Economic Affairs**

Dear Senator Marcos,

As Chair of the Economic Development Cluster (EDC) of the Duterte administration, I acknowledge the questions and concerns you raised regarding the Philippine economy during the Senate Committee of the Whole hearing on the government's response to the COVID-19 pandemic last May 20, 2020.

To clarify concerns you and the Senate Committee on Economic Affairs may have on the national economy, particularly on the national accounts, I would like to offer a special briefing to be conducted by a senior official from the EDC at your earliest convenience.

Rest assured that the EDC is studying the points you raised during the Committee hearing.

Very truly yours,
