Q-116468 Version 1.0 Axway Pte Limited, a company incorporated under the laws of Singapore, registered under number GST Reg. 199601493G, with a share capital of 200 000 SGD, having its registered office at 4 Shenton Way #28-03 SGX Centre 2, Singapore 068807, Singapore

This Order Form includes the products and services specified in the attached Product List and Product Schedules and shall be governed exclusively by the License, Support, and Services Agreement available at https://www.axway.com/en/legal/contract-documents/license-general-conditions, unless there is a written agreement with Axway referenced below in the "Additional Terms" in which case that written agreement shall govern (the applicable agreement being the "License Agreement"). In the event of a conflict in terms between the License Agreement and this Order Form, the terms of this Order Form will prevail. The License Agreement and this Order Form shall supersede the terms of any purchase order or other non-Axway ordering document and no terms included in any such purchase order or other non-Axway ordering document shall apply to the products and/or services ordered. Any purchase order or other non-Axway ordering document that references or is related to this Order Form is accepted by Axway solely as confirmation of the terms of this Order and the License Agreement. If Customer is a reseller purchasing products and/or services for resale, Customer is licensed solely to resell the products and/or services to the End User pursuant to the applicable reseller agreement between Axway and Customer and solely as governed by the terms of the License Agreement.

Additional Terms:

All work on Time and Materials Basis

Areas of related work include:

- 1) Upgrading of Philippines ASW Gateway Software Axway B2Bi from version 2.4 to 2.6 for both Test and Live Environments.
- 2) Investigation of B2Bi issues regarding installed ASW related matters like the Common Header changes.
- 3) Specification of work related to Configuring Axway's B2Bi Trading and Processing Configurations to accommodate new systems like the new API Bridge of BOC being used by Philippines ASW Gateway message flow for both existing and new documents that are being use or tested for exchange among Asean Member States and its Dialogue Partners

Consulting work to include:

Work within the Development (Dev) Environment

- Parallel Upgrade / Migration approach
- Meetings approach discussion & clarifications, coordination
- Test Support Dev (sanity/regression)

Work within the Production (Prod) Environment

- Parallel Upgrade/Migration approach
- Meetings approach discussion & clarifications, coordination
- Test Support Prod (sanity/regression)

Billing Terms:

The Payment Terms for the services shall be milestone-based, per defined deliverables subject for validation of DOF. The payment milestones are tabulated below:

| Deliverables | Man-days | Payment (Percentage of the Total Contract) | | |
|--|----------|--|--|--|
| Reassessment and Planning session for the execution of scope of work | | 50% | | |
| 2. Investigation of B2Bi issues | | | | |
